FOURTH MURDER ADDED TO LIST

With a mesquite root as a weapon, Ramon C. Romero was brutally beaten to death at Chandler late Sunday night. Word of the fourth murder committed within a period of a few days was reported to the sheriff's office when Deputy Sheriff Rhodes arrived from the southside yesterday morning with A. Martinez, whom he charged with murder and Antonio Sanchez, who is being held as an accomplice.

The crime it is alleged was prompted by jealousy over a pretty Mexican girl, Valeria Vasquez.

Assistant County Attorney Harry Johnson investigated the affair, passing all of yesterday in the region of the cotton fields where the murder occurred.

According to the story told by the officers, Martinez found Romero at the home of the girl he loved. In a jealous rage he ordered him off the place and before he had time to comply with the request, struck him a severe blow, fracturing his skull. A race was made to cotton headquarters and Dr. Jordan was soon giving first aid treatment to the man who lingered all night, passing away at 6 o'clock yesterday morning.

RECRUITS FROM NORTH WILL BE IN TOWN TODAY

Although recruits for the First Arizona are coming in faster than they were a month ago, the influx is not nearly as fast as the officers in charge would like.

One of the features of the recruiting campaign is the noble efforts of the young men of Flagstaff and Coconino county to fill up the regiment. More men have come from that section than from anywhere in the state. In the past month 121 men have enlisted. This evening 36 men will leave for the border. There have been nine men in the city for two days from Jerome waiting to make the trip. They preferred to wait over until tonight in order that a large party might make the trip. One man from Mesa is ready to go and of course Flagstaff will be represented by the largest delegation—26 men.

An example of the kind of men who are coming from Flagstaff is that of the 26 who will arrive today their combined wealth approximates a half mil-

lion dollars. There are several bank clerks in the party.

A parade will be held to accompany the men to the depot. There will be two companies of the home guard in line, the Indian School band and a number of autos. Governor Campbell will be present and wish the recruits good luck.

The Spanish War Veterans, members of the G. A. R. and the ladies of the Spanish Veterans' Auxiliary have signified their intention of being present to honor the men from the north.

The nine men from Jerome who arrived yesterday are Andrew K. Williams, James Vaglio, Marino Lapierre, Edwin A. Stone, Brennan Stuberfeld, John Blombo, Peter Juovan, Tom Taveson and Tave Wajovich.

It will be noted several of the men are of foreign birth. Most of them are Serbians, and have all had military training. They are all anxious to get on the firing line in Europe and avenge the pillaging of their native country.

BRIDGE FILLS BRING PROTEST

A committee headed by C. T. Hirst, appealed to the board of supervisors yesterday and protested against a dirt fill on the west approach of the Agua Fria bridge, claiming that such an approach will not withstand the floods. They advocated a trestle approach. The board informed the committee that the affair was entirely out of its jurisdiction and referred the members to the governor and state engineer.

The board in the course of its regular routine duties approved the \$10,000 deposit bond of the Central bank to cover money deposited by the county treasurer.

Because of an insufficient number of legal signatures the "no-fence" petition for the Gilbert district was not allowed.

The appointment of John P. Woodmansee as trustee of Electrical District No. 2, Higley, was approved.

PART OF LARGE COMPANY MOVES

Seventy-two members of the First Baptist church have secured letters of withdrawal for the purpose of organizing a new congregation to be known as the Calvary Baptist church.

The officers of the Calvary Baptist church are: L. W. Coggins, president; J. R. Detweiler, vice president; W. C. Henderson, clerk; J. J. Harris, G. H. Woodson.

Board of Deacons—W. G. Tolson, J. M. Fogle, A. B. McCoy, George E. Stokes, R. M. Stanley.

R. W. Geisler, Sunday school superintendent; R. B. Schupp, church treasurer; Miss Dallas Lyall, financial secretary; Walter R. Stokes, church clerk.

A Sunday school has already been organized with an enrollment of 30 members, a woman's circle of 25 charter members and a Young People's Society of 30 members. The woman's club has been leased for Sunday services and a pastor will be called within a few days. It is expected that regular services will be held May 29.

TAXES FOR 1916 CARRY PENALTY

Taxes for 1916 are delinquent. Taxes were delinquent at 5 o'clock last evening when the county treasurer's office closed work for the day. County Treasurer Sam E. Webb made the statement last evening that until the back tax book was made up, which would probably take 30 days, 1916 taxes would not be accepted by his office. He wished it pointed out however that all back taxes prior to 1916 would be received at any time.

LOCAL MEN FORM NEW CORPORATION

The Arizona New Mexico Contracting company filed its papers of incorporation yesterday with the corporation commission.

It was not officially stated, but it is the consensus of opinion among local contractors that the new corporation was organized to take over the defunct California-Arizona Construction company, which has several uncompleted contracts in and near Phoenix.

The incorporators of the new company are C. W. Fox, A. M. Scott and E. M. Naback. The papers name George P. Ballard as local agent.

GRANDMA USED SAGE TEA TO DARKEN HAIR

She made up a mixture of Sage Tea and Sulphur to bring back color, gloss, thickness.

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as Wyeth's Sage and Sulphur Compound, thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

GOODRICH SILVERTOWN CORD TIRES

An Object Lesson in Tires

TIRES wear out INSIDE—not OUTSIDE. They are burned out by internal frictional heat, rubbed up between the plies of the tire.

Every extra ply means extra wearing out of the tire.

Note the two-ply structure in the rubber saturated, cable-cord body of the Silvertown tire here laid bare.

Could you thus look into ALL tires, you would find three types:

- Cotton fabric, with five to seven swathes;
- Thread-web, a five to seven ply base of strings;
- Cable-cord, the unique patent-protected, two-ply structure, found ONLY in Silvertown, the original Cord Tires.

It stands to reason that Silvertown tires, trademarked with the RED-DOUBLE-DIAMOND, with but two plies will outlast many-ply tires with their multiplied heat.

You cannot afford to be without their smart appearance, smoother-riding elegance, and their gasoline-saving economy.

Donald Hultz

Ida Mae Golze

"Purple and Fine Linen" has been chosen and they are the cream of talent in the class of '17. Ida Mae Golze has been chosen as the leading lady, playing opposite Donald Hultz.

Ida Mae Golze plays the part of a Puritan maiden who is overly fond of silk and bright clothes. She is a girl full of life and love and for this she is severely criticised and finally called before the church court and held to answer for loving beautiful things. The court, composed of friends and neighbors who do not understand the girl, are taught by the young Puritan minister, a lesson in toleration and the Puritan village is restored to peace and tranquility, and two young people are made happy.

Donald Hultz, in the role of a young Puritan minister, will be the surprise of the evening. After donning his make-up, he becomes a part of the

"Orpheus," which appeared recently in Collier's Weekly. "A Love Sublime" is replete with thrills and strong human interest. Some realistic portrayals of slim life constitute a feature of the production. A notorious crook with a hatred of all mankind is confined in the hospital. The gang leader has a craving for cigarettes. Lucas, in his role of a herculean Greek, succeeds in robbing cigarettes to the injured gun man. By this kindness he earns the gratitude of the latter, who later on saves his life. A very beautiful and unusual love story is interwoven with the spectacular in this screen play.

Carmel Myers takes the leading feminine role opposite Lucas. Other capable actors in the cast include Fred Turner, Alice Rae and Jack Brammell.
